

## **SASY Committee Report**

### **Date of meeting**

November 3, 2011

### **Name of Committee**

Airport Noise Reduction Committee

### **Chair**

Melanie Foxcroft

### **Core Members**

Steve Klafka

Tim Wong

Others as interested.

### **Purpose (goal) of Committee:**

Work with stakeholders to reduce impact of airport noise on the SASY and surrounding neighborhoods.

### **Action items: See report below**

Draft letter/request attached for review and comment by November 11, 2011 (see below): issues, questions, and data requested.

### **Recommendation(s)**

Step 1: send out the draft for comment by the Council and interested neighbors (done)

Step 2: send the final letter/request to Dane County Executive Parisi.

**Discussion items at board meeting:**

Discussion, review and comment on the draft letter/request.

[Attachment(s) from Steven Klafka included below]

The airport's noise control program is over 15 years old so there are many areas for improvement. As a former near-east side resident, we hope our new County Exec Joe Parisi will support proposals for airport noise reduction. We have developed a draft list of questions on the current program and potential improvements based on other airport programs for him to consider. The frequent complaints about military jet training are addressed.

Responses should be sent to Steve Klafka by Friday, November 11th.

Steve Klafka
