

Proposal for new SASY committee:

Convert ad-hoc “Jackson Street Plaza” ad-hoc Committee to *Green Spaces* ad-hoc Committee.

- 1) The *Green Spaces Committee* shall consist of a Chairperson appointed by the Board of Directors from among currently serving Board members, and additional members as appointed by the Chairperson.
- 2) The *Green Spaces Committee* shall:
 - a) Identify green spaces on publicly-owned land that;
 - i) are not designated as parks, wetlands, or natural spaces, and
 - ii) have the potential, through design and landscape improvements, to become community-building public places that serve SASY residents, visitors, and businesses.
 - b) Prior to planning design or landscape improvements, coordinate a public-input process to gather feedback on usage patterns and preferences from neighbors and users, in order to plan improvements that meet the needs and desires of SASY residents.
 - c) Work with City of Madison agencies to plan the appropriate improvements that emerge from a public input process, and secure all proper permits, agreements, and approvals
 - d) If necessary and desirable, raise funding to help execute improvements stipulated between SASY and City agencies
 - e) Coordinate the execution of stipulated improvements
 - f) Negotiate and enter into Maintenance Agreements with City agencies if required in order to secure approval for design or landscape interventions
