

## SASYNA website home page

### 1. Why do we have a website?

- Advocate for Madison/Dane County issues?
- Advocate for SASY neighborhood issues?
- Communication vehicle for SASYNA members?
- Neighborhood calendar of events?
- Promote the neighborhood businesses?

### 2. Welcoming line on home page:

Welcome to SASY -- Schenk- Atwood-Starkweather-Yahara -- a diverse, friendly neighborhood on the EastSide of Madison, Wisconsin.

**Question:** *To what degree does the current website reflect this statement?*

**3. Observation and Question:** *Currently the home page is primarily a collection of links that takes the visitor off our site. Is this serving the desired function?*

### 4. Current Website 's Navigation

Home | About | Contacts | Photos | Visit | Archives | Meetings and Activities | Committees | Discussion

### 5. Some other Navigation Links that I've collected from other neighborhood sites.

Advertise	Clubs	Neighborhood Map	Telephone Numbers
Association Bylaws	Committees	Neighborhood News	Volunteer Here
Board Members	Community News	Neighborhood Safety	Welcome
Brief History	County Resources	News & Events	Wish List
Businesses	Event Calendar	Newsletter	
City & County Info	Events	Projects	
City Resources	Membership	Public Schools	

**6. Referring back to point #3: the home page links are taking visitors to pages that sometimes have advertising. In sense we have advertising on our site. Do we want to accommodate advertising/sponsors on a revised site?**
