Action items:

Specific issue(s) to report:

Regular transportation committee meetings have been changed to the first Tuesday of each month, except when that is a holiday or voting day. Then meetings will normally be held the second Tuesday, unless another date is chosen. Since our next meeting in January falls on a holiday, our meeting will be held on Tuesday, January 15.

Recommendation(s):

1. "The Transportation Committee recommends that the SASY Neighborhood Council request the stoplights at the Dunning St. & Atwood Ave. intersection be flashing from 10:00pm to 6:00am, seven days per week in all seasons and revert to standard light service at all other times, with a letter to that effect sent to Rob Phillips, David Dryer and Marsha Rummel, and cc's to Arthur Ross, Dan McCormick, Brian Smith and Christy Bachman."

2. “The Transportation Committee recommends that the SASY Neighborhood Council goes on record opposing any and all bus fare increases in 2012 and 2013. Bus fare service should be considered as a community service much like police, fire, libraries and trash collection.”
